Manager's Corner

The joys of spring are upon us with a sense of rebirth and renewed growth. Speaking of growth, I am very happy to report that the Book Sale outdid itself again this year, selling almost \$19,500 worth of books, puzzles, games, CDs, and DVDs during the 3-day sale. To add to this amount, the 1-day Bake Sale made \$673 and the Boutique brought in \$947 during the three-day sale. Congratulations go out to Tracey, Volunteer Book Sale Coordinator, and the hardworking team of Volunteers who collected, sorted, and organized the thousands of books that came in. A big thank you to all who donated books as well. Money from the sale will be used to purchase a new projector for the main hall and other necessary upgrades.

National Volunteer Week is coming up this month. Many organizations say volunteers are the backbone of their operations and we couldn't agree more! We will be celebrating our hardworking committed Volunteers on April 25th. If you have been an active Volunteer these past 12 months, it's time to celebrate YOU, so please sign up at Reception (see page 4). I wish you a safe and Happy Easter and joyful spring ahead.

Our wonderful 3-generation Bake Sale team of Cindy, Jodi and Katrina did an excellent job organizing and selling the delicious goodies. A Big Thank You to everyone who donated Baked Goods to help make the Bake Sale such a success.

Margaret Ryding gave us a sneak peak of the upcoming High Tea and Fashion Show on May 11th.

LAST MONTH'S HIGHLIGHTS

Band Kilbirnie Station and Caller Alison Moen led us through another ceilidh full of laughs, exercise, and a fun time for all who attended.

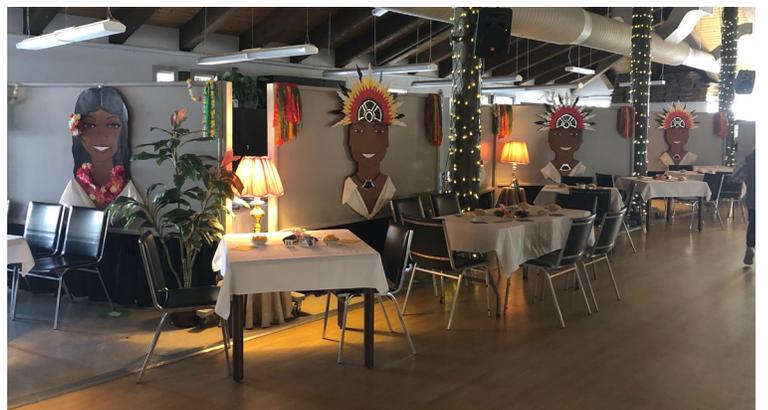

Michelle Carlisle had many of us, including MC Henry S., up dancing at the St. Patrick's Day Luncheon. Doreen had the luck of the Irish winning one of the door prizes.

The origami session was enjoyed by those who attended. They learned not just about how to make beautiful creations but that the tradition in Japan starts at three years of age to develop manual dexterity and eye hand coordination.

Volunteer servers are always much appreciated: Diane, Mary Rose, Paula, Jan.

Shari's decorations create a warm and welcoming environment for her monthly themed social dances. March was Splendor of the South Seas. Next up is the Roaring 20s.

When teenage Priscilla Beaulieu meets Elvis Presley at a party, the man who is already a meteoric rock-and-roll superstar becomes someone entirely unexpected in private moments: a thrilling crush, an ally in loneliness, a gentle best friend. Through Priscilla's eyes, Sofia Coppola tells the unseen side of a great American myth in Elvis and Priscilla's long courtship and turbulent marriage, from a German army base to his dream-world estate at Graceland, in this deeply felt and ravishingly detailed portrait of love, fantasy, and fame.

EVA'S CORNER

April is Advance Care Planning Awareness Month

It's About Conversations, It's About Wishes, It's about Decisions

Advance Care Planning is a process of reflection and communication. It is a time for you to reflect on your values and wishes, and to let people know what kind of health and personal care you would want in the future if you were unable to speak for yourself or/and you become incapable of consenting to or refusing treatment or other care. It's a way to give your loved ones the confidence to make decisions for you during a difficult time. You may never need your advance care plan – but if you do, you'll be glad that you have had these conversations, to make sure that your voice is heard when you cannot speak for yourself.

The Five Steps of Advance Care Planning

1. **Think** about what's right for you. What are my values, beliefs and understanding about end of life care and specific medical procedures? What's important to me?
2. **Learn** about medical procedures There are many medical procedures that can be offered at the end of life. Some may improve your quality of life, others may only prolong life. Different people have different thoughts about these procedures. Learn about various medical procedures.
3. **Choose** your Substitute Decision Maker. Choose someone who would honour and follow your wishes, and is able to speak for you if you can't speak for yourself
4. **Talk** about your wishes. Talk with your Substitute Decision Maker, family members and friends who are important to you. Tell your health care team – and if you have a written plan, share it with them.
5. **Record** your wishes. It's a good idea to write down your wishes or making a recording or video. There are also forms available in BC.
6. **Review** your plan. It's important to review your plan regularly to make sure it reflects your wishes, especially if something in your life changes. Continue the conversation!

Remember, this plan would only be used if you are not capable of speaking for yourself. You can also change it at any time. The choices you make at the end of life – for yourself and others – are important. Make sure that your voice is heard and respected. Think about what you'd want – and start the conversation with others about your end-of-life care.
